## Athletes of the Month

### September: Connor McMahon

Connor has significantly improved in the month of September solidifying his spot in the top 5 of the team. Connor came close to his track personal best in our first meet at Cherokee. He ran 10:18 in a 2-mile race earning a medal and placing 4th on the team. In our second race, he ran 16:06 improving on his best 5k performance by over 45 seconds and finishing 3rd on the team. He helped the team move up their state ranking to 5th based on their performance at the Battle at Ocean County Park. Connor has been a great leader and sets a great example for other athletes.

Look forward to what he can do the rest of the season.

### October- Patrick Doran -

Patrick's first race in October was at the Shore Coaches Invitational. He placed 3rd running one of the 10th fastest times ever by a Ridge athlete! Next up was his performance at the Skyland Conference Championship. Patrick won in the fastest time ever run by a Ridge athlete! He followed up the next week by winning the Somerset County Championship. He has been a tremendous leader this year and put in the work this summer to be one of the top athletes on the team.

### December: Robbie Koenig and Joseph Dachnowicz -

both Robbie and J Dac have started the season strong. After doing Cross Country Robbie has used his new strength to be one of the best throwers on the team. He set a personal best in the first meet of the season almost breaking 40' in the shot put. J Dac has stood out as one of the top sophomores of the team and a contributing varsity member for the first time. What truly sets both of these athletes apart is the dedication and hard work they have demonstrated throughout the month of December. Both do the little things that go above and beyond just to make sure they are at their best. It is obvious every day how hard these two work and are a model for all athletes.

### **January: Patrick McCaffrey -**

Patrick has been a big addition to the Track and Field team this winter. He helped the team win the Somerset County Relay Championship at the start of January by winning the 4x200, SMR, and HJ relays. His performance on the SMR earned a school record. Patrick has placed on the Ridge Top 10 All-Time lists in multiple events throughout January. He is on the top 10 list for the 55, 200, high jump, and long jump.

I am excited to see how else he can contribute during the state season.

### **February: Brenden McMahon**

Brenden has been one of the highest-scoring members of the Track and Field team in February. Brenden placed 3rd in the State Sectional Championship in the 1600 and 2nd in the 3200-meter run. At the Group State Championship, he placed 3rd in the 3200 receiving an automatic bid for the NJ Meet of Champions. He moved up to the second-fastest Ridge athlete to ever run the 3200. Every race he continues to improve. He is one of the best sophomores in the State of NJ and I am excited to see what he can do at Nationals!

### **April: Jared Rascio**

Jared has shown significant improvement in jumping this spring. He has already improved on his winter personal best in the long jump. In addition, he has picked up the triple jump and has made the all-time Ridge list in the event. Jared placed 4th overall in the long jump and 3rd overall in the triple jump at the County relay meet. His dedication to improving in jumping has made him stand out on the team and we can't wait to see what he can do in the Championship season.

### **May: Brenden McMahon**

Brenden had many big performances in the month of May. He won the Somerset County Championship in the 1600 and the 3200. He repeated his double win at the Skyland Conference Championship. This was a key reason the team was able to win their 3rd County Championship and 1st ever Skyland Conference Championship. Brenden currently has the sophomore school record in both events. He has set himself apart as not only a really great sophomore but also one of the best athletes in the State. We are excited to see his performances in the State Meets.
